

CONSTRUCTION ALERT

August 4, 2015

23rd Avenue Corridor Improvements Project

Upcoming weekend closures planned for the E Cherry Street intersection

Starting Friday, August 7, access to the E Cherry Street intersection at 23rd Avenue will be closed to traffic for three consecutive weekends. These closures are necessary for crews to work on the storm drain and water main underneath the street. Crews will also be removing trees marked for removal along 23rd Avenue between E Cherry and E Jefferson streets.

Work dates

- **Crews will work continuously from 7 PM, Friday to 6 AM, Monday during the following weekends:**
 - Friday, August 7 – Monday, August 10
 - Friday, August 14 – Monday, August 17
 - Friday, August 21 – Monday, August 24
- During these closures, crews will be working to replace the storm drain and water main underneath the street as well as removing trees marked for removal.
- Also during these times, the E James Street intersection on 23rd Avenue will be closed.
- Additional weekend closures of the E Cherry Street intersection will be required this summer/fall.

Construction impacts

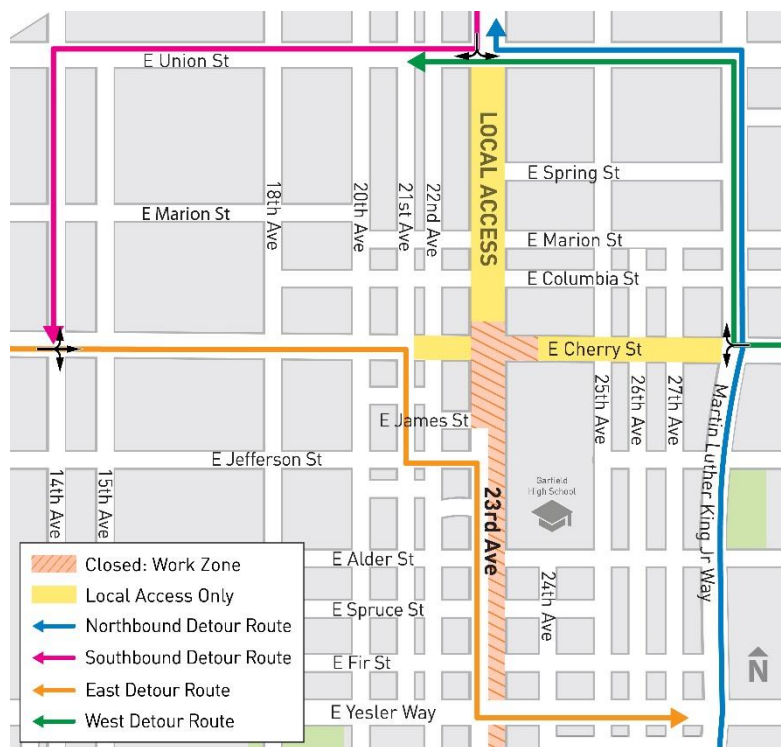

- Noise, dust and vibration expected throughout all hours of the weekend.
- The contractor is in the process of obtaining an approved noise variance for this work.

Traffic impacts

- The E Cherry and E James intersections will be completely closed to traffic.
- Detour routes will be clearly posted; follow the signed detours and avoid cutting through neighborhood streets.
- The northbound 23rd Avenue detour to Martin Luther King Jr Way will remain in place.

Water interruptions

- Seattle Public Utilities will provide notice to businesses and residents who will experience temporary water shut-offs while crews work on the new water main.
- For more information about water service interruptions, call 206-386-1800.

Transit, bicycle and pedestrian information

- Metro bus routes #3 and #48, as well as their bus stops will be affected by this work; look for posted Rider Alerts and learn more by calling Metro at 206-553-3000.
- Bicyclists should also detour around these intersections during this work.
- Pedestrian crossings will be maintained.

Access to businesses

- Customers can continue to access businesses by car, by driving into the local access areas, or on foot.
- Please continue to support your local businesses!

Water main work between E Cherry and E Spring streets begins August 10

- Crews will begin working between E Cherry and E Spring streets the week of August 10. Two-way traffic will be maintained, though reduced to one lane in each direction.
